PROFILE

Former bar manager seeking career in web/software development. Effective leadership and communication skills in managing and helping individuals maximize efficiency in problem solving and teamwork. Recent graduate of the UCSD Extension Full Stack Coding Bootcamp, as of September 2022.

PROFESSIONAL EXPERIENCE

❖ **Bar Manager/Assistant General Manager,** *Bootlegger (2013-2022)*
  - Supervision of over 30 employees, both during weekday and weekend shifts
  - Director of beverage program (including cocktail, beer and wine selection), and its digital integration into both the company website and all Point-of-Sale systems on-site
  - Maintenance of client and vendor relations that assured customer growth, especially during the COVID-19 pandemic
  - Mandated weekly inventory of bar products, allowing for almost a 20% drop in product loss
  - Preparation and archiving of requisitions and purchase orders for bar products, supplies, equipment, and services
  - Coordination with restaurant group specialists for planning, promotion, and execution of special events, catering, and private parties on-site

❖ **Lab Technician,** *UCSD Bonner Hall (2012-2013)*
  - Sample collection through ELISA (enzyme-linked immunosorbent assay) and PCR (polymerase chain reaction) lab methods
  - Sent samples to other laboratories for assurance testing in conjunction with lab managers
  - Glassware and lab equipment maintenance to ensure a proper and well-maintained work environment
